

Transcripts

Final transcripts for all post-secondary institutions attended are required to be on file by the start of the academic year. You must submit all transcripts to LSAC for your Credential Assembly Service Report. All transcripts there must be complete, including updated transcripts reflecting grades for coursework completed since submitting your application or prior transcripts to the service. Similarly, transcripts from each institution from which a degree was earned must indicate the awarding of that degree.

Deadline for Receipt of ALL Transcripts: July 21, 2017

Entering students who are earning a degree upon completion of coursework from Summer 2017 should contact our office well in advance of the deadline for special instructions on completing this requirement.

Upon our receipt of all final, official transcripts from each postsecondary institution you have attended, we will update the Admission Center's Notification Center to complete transcript status.
