

**COMMUNITY SERVICE EVENT
Women in Distress**

Women in Distress of Broward County, Inc. was founded in 1974 and initially served as Broward County's first refuge for homeless women. Shortly after the organization was able to offer crisis shelter and support to victims of domestic violence and their children. Today, Women in Distress has expanded again in order to meet the increased needs for emergency shelter and services. Women in Distress is the only nationally accredited, state-certified, full service domestic violence center serving Broward County.
