

PRACTICE INTERVIEW PROGRAM

SAVE THE DATE - August 8, 2018

The Office of Career and Professional Development invites you to participate in the Summer Practice Interview Program. This exciting program will allow you to hone and develop your interview skills in preparation for Fall On-Campus Interviews. Each practice interview will be led by a practicing attorney, and will be approximately 30 minutes long. The practice interview will consist of a 20-minute practice interview followed by a feedback session in which you will receive tips to help you learn how to highlight your accomplishments, use your interview time wisely, and ask thoughtful questions. The practice interviewers are a distinguished group of attorneys and NSU Law alumni from the following employers:
