Credit(s) Awarded	_____	_____	_____	_____

Maximum Graduation Credit for Non-Classroom and Co-Curricular Activities:

Student Non-Classroom and Co-Curricular Activities include: (1) credit hours earned through field placements and other study outside of the classroom; (2) credit hours earned in another department, school, or college of the university with which the College of Law is affiliated, or at another institution of higher learning; (3) credit hours earned for participation in co-curricular activities including but not limited to law review, journals, moot court, and trial competition; and (4) credit hours earned by participation in studies or activities in a country outside the United States for studies or activities that are not law-related. Students may count no more than 9 credit hours earned for participation in co-curricular activities and no more than 2 credits earned for Supervised Research and Writing toward their graduation requirements.

Students may not exceed the maximum credits for their division with the addition of these credits.

Maximum credits: full-time division – 18; part-time division – 12

Student's Signature _____ Advising Professor's Signature _____

Rules for Clinic Students:

YES NO Student participating in a clinic; If yes, Advising Professor's signature is required

Concurrent Enrollment in Clinics/Field Placements, Academic Courses, and Co-Curricular Activities:

"Students must notify the clinical faculty member of their intended schedule and complete an intended plan to be kept on file at the clinical offices that ensures a schedule that allows all clinical obligations to be properly fulfilled. Any deviations or changes from the plan must be approved. A student who wishes to enroll in a co-curricular activity during a clinical/field placement semester or summer term must notify both the clinic/field placement director and the faculty advisor or faculty coach for the activity".
