LARGE LECTURE, 2ND FLOOR

A DOCUMENTARY BY KAT ROHRER

FATAL PROMISES

Through personal stories of victims and interviews with politicians, NGO representatives and activists, Fatal Promises provides a comprehensive look at the realities of human trafficking versus the rhetoric of politicians and pundits who claim to be making significant strides in combating this horrific crime against humanity. Ukraine, the second largest country in Europe, is a prime example of a nation struggling to establish a stable economy, a functioning legal system and to control criminal enterprises of which Human trafficking is the largest.
